number	title	created_at	labels	url
3052	Inaccurate pre-trained model predictions master thread	2018-12-14T06:11:47-05:00	models perf / accuracy	https://github.com/exp
6872	Language Model Score (Perplexity score) of a sentence	2019-09-09T14:53:32-04:00	enhancement perf / accuracy feat / transformer	https://github.com/exp
4281	Efficient GPU support for Entity Linking pipe	2019-09-12T06:17:35-04:00	enhancement help wanted gpu feat / nel	https://github.com/exp
6873	training with custom loss function, or assigning weights to classes	2019-10-05T04:25:25-04:00	enhancement feat / transformer	https://github.com/exp
4409	Add checks (and converters?) for documents with multiple sentences in debug-data	2019-10-09T05:30:20-04:00	enhancement feat / cli	https://github.com/exp
4411	Make it possible to merge Vocab/StringStore instances	2019-10-09T07:06:03-04:00	enhancement feat / serialize scaling	https://github.com/exp
4439	Doc.tensor into user_hooks	2019-10-14T10:52:05-04:00	enhancement help wanted feat / vectors feat / doc	https://github.com/exp
6874	Sentencepiece base Language	2019-10-21T06:58:10-04:00	enhancement feat / tokenizer feat / transformer new language	https://github.com/exp
4622	German adjectives ending on ``-e`` are not lemmatized using the lookup lemmatizer	2019-11-11T05:38:31-05:00	enhancement lang / de help wanted (easy) feat / lemmatizer	https://github.com/exp
4748	Memory usage of ``debug-data`` with a huge training set	2019-12-03T05:37:23-05:00	enhancement feat / cli perf / memory	https://github.com/exp
